FROM THE PRESIDENT'S DESK

On behalf of the entire Geneva Area Grape Jamboree Committee, I would like to welcome you back to the 58th Grape Jamboree. We hope that you have a great time and enjoy all the great events. Don't miss Saturday Evening's entertainment lineup. We have a lot in store for you this year. Also, do you want to see where Country meets Classic Southern Rock at its finest? Then make sure you stick around for our headliner Nashville recording artist Confederate Railroad as they round out the evening.

On Sunday evening stick around to watch Kavan, internationally known as the #1 Rock & Roll Elvis Tribute. Rounding out the evening is quite frankly America's greatest showband Rick K and the Allnighters. They will take you on a high-speed cross-country tour of rock greatest hits.

While you are here, make sure you visit all the different attractions we have to offer. Like our fan-favorite our Winery at the Geneva Community Center on West Main. The Winery will be open on both Saturday and Sunday. Stop in and have a glass of some of the area's most popular wines. Be sure to stop at the Geneva Rec Center on East Main to see the Art Show and Photography Show. Also, be sure to hop aboard the Little Traveling Railroad as it travels on Route 20. Fun for the whole family.

The Grape Jamboree was started in 1964 by a handful of local citizens as a celebration/farmers' market to celebrate the grape harvest. The festival continues to this day run by a dedicated group of volunteers. Each year the Grape Jamboree Committee gives 3 scholarships to local high students, two are for students that volunteer in their community and one to Miss Grapette. The remaining profits are for community projects or are re-invested right back into the festival to make it better and better. This year we added additional storage to move more of our equipment

out of the elements.

Because of the dedication of our current and past volunteers, this festival has grown to become one of the largest in the State of Ohio. This committee is open to anyone that would like to become a part of this Festival. If you are interested in helping with the Grape Jamboree, please contact the headquarters (located in the Geneva Rec Center) or one of the members. Even if you can only donate a few hours of your time, we can find a place for you in this grape family.

Our goal is to make sure everyone attending has a "grape" time. Each year we bring more and more people to Geneva who have never been here before. If you are one of those, our hope is you come back and spend more time in this wonderful community and corner of Ashtabula County. In the meantime, please get in the purple spirit and enjoy this year's Grape Jamboree!

WITHOUT THEIR GRACIOUS SUPPORT, THIS YEAR'S GRAPE JAMBOREE WOULD NOT HAVE BEEN POSSIBLE. PLEASE VISIT THESE BUSINESSES AND THANK THEM FOR THEIR GENEROSITY.

Welcome to the 58th Annual Geneva Grape JAMboree

"Something for Everyone"

Approximately 1,500 acres of grapes are grown in the Geneva, Ohio area. The grapes are processed into juice, jam, concentrates, or wine.

Specific growing conditions, which exist only in a narrow band from the Lake Erie shore to ten miles inland, contribute to the success of grape growing in this region.

In the spring, the frozen waters of Lake Erie keep the air in the region colder later into the year. This prevents the vines from budding out early only to be damaged by a late spring frost. Although with the usual

spring weather we have had in the last few years a lot of damage has occurred to the grape vines.

In the fall, the now-warm waters of the lake help prevent early fall frosts which may damage the grape crop before it can be harvested. The local grapes, especially the concords, are featured at the annual Geneva Grape JAMboree held the last full weekend of September.

The JAMboree is a celebration of the grape harvest. Visitors may taste grapes, freshly squeezed grape juice, grape pies, wine, and various other

grape products. All grandstand entertainment, including the "grape stomping," is free.

There are two giant parades: Saturday, 1:30 p.m., and Sunday, 2 p.m. The contests, art show, craft show, Grape Jamboree winery, and other many interesting exhibits make the JAMboree and entertaining, JAM-packed weekend for the entire family. Geneva is in Northeastern Ohio, 2 miles north of I-90 Exit 218.

LETTER FROM MISS GRAPETTE ALLANAH BURKHOLDER

Hello, everyone, my name is Allannah Burkholder, your 2022-2023 Geneva Miss Grapette. Representing the City of Geneva and its Grapetastic pride has been an amazing honor and experience. Throughout my years on this court, I have met so many wonderful and kindhearted people. I have traveled to so many festivals, made lots of new friends and did as much community service as I possibly could.

Growing up on the court, I have always looked up to the Miss Grapette Queens. When I was crowned, I knew it was my turn to make a difference in not only my community, my court, but in the lives of younger girls.

Every festival I go to I try to connect with as many girls as I can. I always want to give them a smile, some attention, a high five or anything else I can to try and make a difference in their day.

At the Utica Ice Cream festival, I met a little girl who was extremely shy but as soon as I told her I liked her dress she immediately opened up. She started telling me where she got it and about the beautiful flowers on it. I asked for a hug and she immediately gave me one.

I want to make all little kids feel like the princess & princes they are. One time while on the float, I saw this young girl who looked at her mom and said "Mommy look at the princesses. They are so beautiful."

All I could think about was how I wish that little girl could see the princess inside herself. I want her to know her worth, beauty and pur-

pose. I wish I could help every little princess find their voice. I hope that during my rein I have inspired at least one person to know that they can make a difference by starting with a simple "Hello".

I started this year wanting to make a difference and if nothing else the memories I made with my court made a difference in me. Never having a real sister all of the sudden didn't matter, I have had so many sisters through the Grapette program. The laughs, memories and the lifelong friendships are irreplaceable, and I could not be more grateful for them.

Being a Grapette has taught me how to meet new people, improved my public speaking skills and helped develop my passions but most importantly it has taught me how to appreciate what I have.

People say "You don't know what you have till it's gone." Now that my year is coming to an end, I am learning that more than ever. When I first started Grapette, as the 2016 Young Miss Grapette 2nd Attendant, I was a scared little girl and my Grapette sisters helped me more than they will ever know. Now, as 2022-2023 Miss Grapette I can only hope that I am helping my Grapette sisters as much as the sisterhood helped me.

I want to say Thank you to my family, Chrissy Jeppe, the Geneva Grape Jamboree Committee and the Geneva Community for helping to make me who I am today.

I am Allannah Burkholder, forever and always your 2022-2023 Geneva Miss Grapette.
